

2018 Diabetes Therapy EXPO

FREE Admission GRAND ISLAND

Participating Manufacturers:
 Dexcom
 Medtronic
 Omnipod
 Tandem

Don't Miss What's NEW in Insulin Pump & CGM Therapy!

An Evening Designed to Help You:

- Compare products
- Understand your out-of-pocket costs
- Personalize your diabetes therapy

What to Expect:

- **Doors open at 6:00pm**—Compare products side-by-side, and meet with manufacturer representatives
- **Breakout Presentation at 6:15pm** - Brief, unbiased overview on all pump and CGM products on the market, along with realistic expectations for pump and CGM therapy

Who Should Attend?

- Anyone considering insulin pump and/or CGM therapy
- Users who are interested in upgrading, comparing products, or adding to their current therapy
- Friends and family are welcome
